**Will Cash Handling Protocol:**

- **Received Cash Option 1 (Counted Cash)**
  - LB Atlantis instructs our drivers to always count cash in the presence of a designated store employee. After counting cash, Option 1 in the table below must be completed by the driver and the store employee to jointly confirm the amount counted.
- **Received Cash Option 2 (Did NOT Count Cash)**
  - LB Atlantis instructs our drivers to always count cash in-store. If the store does not allow this, then Option 2 in the table below must be completed by the driver and the store employee.
- **Cash Discrepancies:**
  - Any discrepancies found during the cash count must be reported immediately to the Store Manager and documented on the Cash Count Verification Form.
- For orders with a **must-collect** status, please email your ACH payment confirmation to [billing@lbatlantis.com](mailto:billing@lbatlantis.com) for approval, prior to delivery. Please email [billing@lbatlantis.com](mailto:billing@lbatlantis.com) with questions or feedback.
