PRODUCT REJECTION

If products are rejected, please indicate which items on the invoice and provide rationale below	
Rejection Rationale	

Tamper-Evident Bag Payment Verification Policy. It is the customer's responsibility to verify the accuracy of the payment amount placed inside the tamper-evident bag provided by Nabis Distribution at the time of sealing. The contents of the tamper-evident bag are considered unverified until they have been reviewed and confirmed by our Accounts Receivables (AR) department upon receipt at a Nabis facility. The driver's signature serves solely as a chain-of-custody acknowledgment, indicating they are transporting the sealed funds back to a Nabis warehouse—it does not serve as confirmation of payment accuracy. Nabis reserves the right to notify the Customer in a timely manner if any discrepancies are identified during the verification process, including but not limited to overpayments or short payments.

It is the Customers responsibility to confirm the accuracy of the amount stated.
