PRODUCT REJECTION

If products are rejected, please indicate which items on the invoice and provide rationale below

Rejection Rationale	
---------------------	--

Tamper-Evident Bag Payment Verification Policy. It is the customer's responsibility to verify the accuracy of the payment amount placed inside the tamper-evident bag provided by Nabis Distribution at the time of sealing. The contents of the tamper-evident bag are considered unverified until they have been reviewed and confirmed by our Accounts Receivables (AR) department upon receipt at a Nabis facility. The driver's signature serves solely as a chain-of-custody acknowledgment, indicating they are transporting the sealed funds back to a Nabis warehouse—it does not serve as confirmation of payment accuracy. Nabis reserves the right to notify the Customer in a timely manner if any discrepancies are identified during the verification process, including but not limited to overpayments or short payments.
