Terms of service:

INVOICE TERMS AND CONDITIONS

I. AGREEMENT. The following terms, conditions and provisions of this agreement ("Agreement" or "Terms and Conditions") shall amend the "Invoice" entered into by and between the recipient of cannabis products set forth in the Invoice ("Buyer") and the seller of such cannabis products, LT Canna Distro, Inc., ("Seller"), and made effective as of the "delivery date," as set forth in the Invoice.

II. TERMS OF PAYMENT. Payment of the Invoice is due on the Due Date set forth in the Invoice. In addition, Buyer shall pay all sales, use, customs, excise or other taxes presently or hereafter payable in regards to this transaction. Missed payment pickups will be subject to a \$100 missed pickup fee. Payments may be made by wire, check, or cash. Checks shall be sent to LT Canna Distro, Inc., Attn: Accounting, 26025 Newport Rd #F, PMB Box 504, Menifee, CA 92584.

II. PAYMENT, PRICE, TRANSPORTATION, SECURITY. Seller shall have the continuing right to approve Buyer's credit. Seller may at any time demand advance payment, additional security or guarantee of prompt payment. If Buyer refuses to give the payment, security or guarantee demanded, Seller may terminate the Invoice, refuse to deliver any undelivered goods and Buyer shall immediately become liable to Seller for the unpaid price of all goods delivered & for damages as provided in Paragraph V below. Buyer agrees to pay Seller cost of collection of overdue invoices, including reasonable attorney's fees incurred by Seller in collecting said sums. F.O.B. point shall be point of SHIP TO on face hereof. In addition, to the fullest extent not otherwise prohibited by applicable law and until the entirety of the purchase price is paid in full, Buyer hereby grants to Seller a security interest in the "Collateral" of Buyer (as defined below) pursuant to the California Commercial Code, to secure full performance by Buyer of the terms, provisions, covenants and conditions contained in the Invoice. The collateral ("Collateral") shall consist of all of the following: all licenses required to operate at the Buyer's business; all inventory of Buyer at its business premises from time to time, including all furniture, fixtures, equipment and other items that Buyer may install or use in or upon its business premises from time to time, whether now so used or installed or used or installed at any time hereafter. Buyer acknowledges and agrees that Seller, in its sole and absolute discretion, may require Buyer to execute agreements to perfect Seller's secured interest in the Collateral, including without limitation Seller's form of pledge and security agreement. The Invoice and these "Terms and Conditions" shall constitute a security agreement under the Uniform Commercial Code so that Seller shall have and may enforce such security interest. Buyer represents, warrants and covenants that no financing statement covering the Collateral or any part thereof, or any proceeds thereof, is on file with any public office. Upon execution of the Invoice, or at any time thereafter at the request of Seller, Buyer shall join in executing one or more financing statements pursuant to Article 9 of the California Commercial Code in form satisfactory to Seller and any other instrument or document requested by Seller to reflect the security interest hereby granted. Buyer shall pay the costs of filing such statement or statements or other instrument or document wherever filing is deemed necessary or desirable by Seller.

III. DELIVERY, TOLERANCES, WEIGHT. Upon due tender of goods for delivery at the F.O.B. point all risk of loss or damage and other incident of ownership pass to Buyer, but Seller retains a security interest in the goods until purchase price is paid in full.

IV. WARRANTIES.

A. Seller warrants that goods sold hereunder are merchantable UNLESS manufactured in conformance with Buyer's particular specification, and that Seller conveys good title thereto.

B. IN NO EVENT WILL SELLER BE LIABLE FOR CONSEQUENTIAL DAMAGES EVEN IF CUSTOMER HAS NOT BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. EXCEPT FOR THE EXPRESS WARRANTY STATED IN THIS PARAGRAPH IV, SELLER GRANTS NO WARRANTIES, EITHER EXPRESS OR IMPLIED HEREIN, INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND THIS STATED EXPRESS WARRANTY IS IN LIEU OF ALL LIABILITIES OR OBLIGATIONS OF SELLER FOR DAMAGES INCLUDING BUT NOT LIMITED TO, CONSEQUENTIAL DAMAGES OCCURRING OUT OF OR IN CONNECTION WITH THE USE OR PERFORMANCE OF ANY GOODS SOLD HEREUNDER.

C. Seller specifically does not warrant the accuracy or sufficiency of any advice or recommendations given to Buyer in connection with the sale of goods hereunder.

V. DEFAULT. Buyer shall be liable for Seller's damages including loss of reasonable profits, caused by Buyer's default hereunder. If Seller, upon Buyer's default, repossesses or retains any goods sold hereunder or enforces its rights to its secured interest in the Collateral, Seller's damages shall be the contract price of the goods plus freight, storage, handling & all other disposal costs incurred, less the then-current reasonable scrap value of the goods.

VI. REMEDIES.

A. If goods supplied are not merchantable, Seller at its option may replace them or refund the purchase price upon their return. Buyer shall not return goods until Seller has had reasonable opportunity to investigate goods, and then only after receiving Seller's written shipping instructions. THIS SHALL BE BUYER'S EXCLUSIVE REMEDY.

B. Buyer waives all claims arising from breach by Seller unless Seller receives written notice of breach from Buyer within 90 days after Buyer receives goods.

C. In no event shall Seller be liable for any special consequential, or contingent damages resulting from Seller's Breach of Warranty, delay or performance or any other default hereunder.

D. Buyer further agrees that Seller will not be liable for any lost profits nor or any claim for demand against Buyer by any other party.

VII. FORCE MAJEURE. Seller shall not be liable for any damages resulting from: any delay or failure of performance arising from any cause not reasonably within Seller's control; accidents to, breakdowns or mechanical failure of machinery or equipment, however caused; strikes or other labor troubles, shortage of labor, transportation, raw materials, energy sources, or failure of usual means of supply; fire; flood; war, declared or undeclared; insurrection; riots; disease or pestilence (including COVID and its variants), acts of God or the public enemy; or priorities, allocations or limitations or other acts required or requested by Federal, State or local governments or any of their sub-divisions, bureaus or agencies. Seller may, at its option, cancel the Invoice or delay performance hereunder for any period reasonably necessary due to any of the foregoing, during which time this Agreement shall remain in full force and effect. Seller shall have the further right to then allocate its available goods between its own uses and its customers in such manner as Seller may consider equitable.

VIII. WAIVER, MISTAKE. Seller's waiver of any provision herein or any breach thereof, shall not constitute a waiver of any subsequent breach thereof, nor of any other provision herein. Seller may correct any errors herein, on any invoice issued to Buyer, or on its published price sheets, and such correction shall operate to amend the Invoice.

IX. CHOICE OF LAW. This contract is subject to California law. Buyer and Seller expressly agree this Agreement is governed by the Commercial Code as enacted in California.

X. CONFLICTING PROVISIONS. Buyer expressly WAIVES all provisions contained in any of Buyer's correspondence or forms involved in this sale which negate, limit, extend or conflict with provisions herein and agrees that this Agreement constitutes the entire contract between Buyer and Seller except as expressly negated, limited or extended by Seller IN WRITING and signed by an officer of Seller.

XI. ARBITRATION FOR CLAIMS.

A. To the extent that a claim or dispute arises out of, or in relation to the Invoice or this Agreement including without limitation, the terms, construction, interpretation, performance, termination, breach, or enforceability, including the determination of the scope or applicability of this Agreement to arbitrate (a "Claim"), the Parties agree that the Claim shall be, at the election of either Party, resolved by binding arbitration online using Ejudicate, Inc. d/b/a Brief ("Brief") as the arbitrator.

B. The arbitration shall be administered by Brief. (www.thinkbrief.com) and the arbitration shall be conducted in accordance with the terms of this Section and the Brief Rules as published on their website at <https://www.thinkbrief.com/arbitration-rules/> (the "Brief Rules" as may be amended or replaced from time to time). The arbitrator shall be chosen in accordance with Brief's procedures. The arbitration shall be conducted by a single arbitrator and in English.

C. The parties to this Agreement agree that hearings and live testimony are limited and will be initiated solely at the discretion of the Arbitrator and that the Arbitrator may, at his or her sole discretion, make a ruling based solely on the evidence, documents and written testimony submitted by the parties. The Brief's arbitrator's decision is final and binding on the parties and judgment may be entered thereon. Judgment on the award rendered by the arbitrator may be entered in any court that has proper jurisdiction over the subject matter and the parties.

D. The costs of the arbitration shall be paid in accordance with the Brief Rules and procedures found at their website. The arbitrator shall award attorneys' fees and expenses (including the cost of arbitration) to the Party which is required to receive payment from the other Party pursuant to the award resulting from this arbitration. It shall be presumed (subject to rebuttal only by the introduction of competent evidence to the contrary) that the amount recoverable is the amount billed to the prevailing Party by its counsel and that such amount will be reasonable if based on the billing rates charged to the prevailing Party by its counsel in similar matters.

E. Unless contrary to law, the arbitration proceedings and the arbitration award shall be maintained by the Parties as strictly confidential, except as is otherwise required by court order or as is necessary to confirm, vacate or enforce the award and for disclosure in confidence to the Parties' respective attorneys, tax advisors and senior management. The arbitrator to whom a Claim has been submitted hereunder shall retain jurisdiction to enforce this Section after entry of a judgment in any court having jurisdiction on the award issued by such arbitrator.

F. The Parties agree that the arbitrator can rely on digital copies of the Invoice and this Agreement, digital signatures (as applicable) and all applicable documents and evidence submitted to the arbitrator on the Brief platform and each submission will be deemed to be evidentially authentic(ated) by the arbitrator unless specifically and timely objected to by a Party.

IN WITNESS WHEREOF, Buyer acknowledges and agrees to the terms, conditions and provisions of this Agreement, which Buyer acknowledges and agrees that it makes for the benefit of Seller, and represents and warrants that the signatory below is authorized to act hereunder on its behalf.
